STATINTL

1. Mr. [] informed me that [] is under investigation by the Income Tax authorities for failure to submit returns. He stated that he proposes to approach the investigating agents through his own channels and inform them that [] had a bank account to handle certain funds belonging to CIA, and also to check whether there were any irregularities in connection with that account.

2. Discussed with Mr. Dulles/Acting DCI, S. Res. 326 to investigate problems connected with emigration of refugees from Western European nations. Mr. Dulles felt that on balance there would be no need to oppose passage of this resolution, and that even if CIA were called to testify it would not affect security to a degree necessary to oppose this resolution.
